Space is limited to 50 participants. Please register by August 26th.

This is a special clinic for children and young adults with disabilities that need a smaller and more hands on experience with fishing. The Nebraska Walleye Association hosts Go Fish Kids Clinics all over the state of Nebraska. This year we are partnering with Dreams Unlimited, a non-profit organization that provides active recreation experiences to children with disabilities. This clinic is smaller in size to give children and young adults with disabilities a chance to try out fishing. No rods or reels are needed. A short lunch, instructional training (about 1 hour), fishing gear, bait, and assistance with fishing will be provided. All you need to bring is your children and a lawn chair. Brothers and sisters are welcome... please sign them up at the same time. Check in begins at 11:30 AM at Holmes Lake.

The NWA will serve hot dogs, chips and drinks before starting the clinic. The **NWA** will teach casting, knot tying, bait, tackle, fish ID. The **Nebraska Game and Parks** will do water safety.

Co-Sponsored by: **Cabela's, Wimmers Meats, Midlands Financial, Woodman of the World, Ameritas, Premier Boating, ABJ Hauling, Wolf Tackle, Tan-Aire, FishHer, RBFF, Reel Bait, News Link, RJ Flooring, Contractors Siding & Windows** and many more.
