Dreams Unlimited

August 24, 2010 – Stephen D. Andersen, from Lincoln, Nebraska, secured a \$5000 grant from the Million Dollar Round Table (MDRT) Foundation on behalf of Dreams Unlimited.

Mr. Andersen, of Midlands Financial Benefits and MDRT member, is an active supporter of Dreams Unlimited and nominated and endorsed the grant application. Dreams Unlimited is a nonprofit organization that assists children with disabilities and their families to access and coordinate adapted recreation that may otherwise not be available to them. The MDRT Foundation grant provided the support of an experience that allowed eleven children with disabilities and their families to raft and camp on the Colorado River in July 2010. Mr. Andersen's endorsement enabled Dreams Unlimited to offer two rafting experience dates, thus doubling the number of children and families able to participate from Lincoln and surrounding communities.

This year, the MDRT Foundation will award more that \$1 million in grants to more than 100 charities. Representing the MDRT Foundation, Steve Andersen presented this award to Dreams Unlimited at their first annual Bowl-A-Thon at Sun Valley Lanes on March 14, 2010.

The MDRT Foundation was created in 1959 to provide MDRT members with a means to give back to their communities. Since its inception, the Foundation has donated more than \$23 million in 67 countries around the world and all 50 states in the U.S. The majority of these funds were raised by MDRT members from MDRT members.

The MDRT Foundation is the philanthropic arm of the Million Dollar Round Table, The Premier Association of Financial Professionals®. MDRT is an international, independent association of more than 39,000, or less than 1 percent, of the world's best life insurance and financial services professionals from 476 companies and 76 nations and territories. MDRT members demonstrate exceptional product knowledge, strict ethical conduct and outstanding client service. MDRT membership is recognized internationally as the standard of sales excellence in the life insurance and financial services business.
